To

The Law Secretary to the Government of
Mysore,
Bangalore.

Sir,

With reference to your letter No 22807 dated 28th Sept 1944 regarding the levy of Octroi duty on drugs imported into the Municipal limits of Tumkur Town, I have the honour to inform you that the licensing authority for drugse control order at Madras who was consulted in the matter, writes in his letter No L Dis C 1659 dated 10-10-44 that no such local taxes are being levied at Madras Secondly by levy of octroi duty, the retail ceiling prices fixed by Government will be increased to the consumers. Hence I am of opinion that it does not seem to be advisable to levy octori duty on Drugs at present

Sir,
Your most obedient servant,

SUB DRUGS CONTROL ORDER, 1943

With reference to your letter No GL/2217 dated the 4th/7th October 1944, I am directed to say that an answer to the question whether it is advisable to levy an Octroi Duty on Drugs and Medicines coming into the Municipal limits of Tumkur town will depend on the Mysore Government's policy about taxation of essential commodities. I am to invite your attention in this connection to Para 4 of the Explanatory note attached to the Schedule of Maximum Prices fixed under the Drugs Control Order which permits a retailer who has to pay a local octroi amounting to 1% or more of the retail value of the durg sold, to charge extra for such octroi provided that the extra charge is separately noted in the Cash Memo
